

I own my position and thrive on results. I am strong in my conviction and loyalty, which provides consistency and stability. I am trustworthy. I am a leader. I can see the potential in others and encourage them to push past what they see in themselves to achieve their goals. Their success is a joy to me!

HTML | CSS | JavaScript
Java | PHP | SQL | NoSQL
React JS | Python

Adobe Illustrator

MS Office: Excel | Word | PowerPoint
iWork: Numbers | Pages | Keynote
KT Training

Idecoder.com

Past:

People's Church
Office Manager
Administrative

Hilmar Cheese
Production Supervisor
Administrative

Future:

Gray Digital
Software Developer
Letter Developer

The Perm:

Theme:

Manufacturing app for my current company to simplify day-to-day tasks, reporting & promote improvement between shift communications.

- * HTML | CSS
- * Adobe Illustrator
- * Calculator for ingredients
- * Inputs to simplify daily reporting process
- * Great UI with animations
- * Still a work in progress

Projects

My Portfolio

Theme:

An opportunity to show my own abilities with logos and interacting with the user with theme choices and to let the user get to learn more about me, both personally and professionally.

- * HTML | CSS | JS
- * Adobe Illustrator
- * Animations and themes
- * Personally designed logos
- * Still a work in progress

The Sword Testimonies

Theme:

Website that is intended to be a place for anyone needing prayer and breakthrough in specific areas. Includes a form to submit to get feedback and resources.

- * HTML | CSS with animation
- * Consistent theme throughout site
